

Miracle in the Mirror January 9 - March 6, 2019

Week One: Before January 9, read the Introduction and Orientation (pages 1-19) in the manual. Also listen to the Orientation audio, and take notes on it. Be sure to bring your notes for discussion during our first class!

During the class, everyone will be given an opportunity to share what they are learning. And in our first class, we will write a practice journal.

Week Two: The VKs will facilitate a discussion of **Lesson One** from your notes. After discussion, we will share a journal from the week with the class, and if time permits, we will also share the answers to the Heartwork questions found at the end of each lesson.
