For the love of money is the root of all evil: which while some coveted after, they have erred from the faith, and pierced themselves through with many sorrows.

1 TIMOTHY 6:10 (KJV)

The love of money is the love of self-sufficiency. To love money is to love the independence it creates. Money affords autonomy. It creates a freedom *not* born of God. It allows us to do what we want, when we want, with very little need to answer to others. It cannot make us happy but it creates a great smokescreen to mask our discontent.

Money that is "loved" will never serve or glorify God. When money is no longer worshiped (i.e. depended on) then it is free to serve others and to glorify God. Money has the tremendous potential to evidence the new heart in man. If the love of money is the root of all evil then money that is *not loved* can find its root in Christ with an outpouring of kindness and generosity.

We have a vision fueled with His faithfulness to supply hope and a future. We delight in *working with* our Withworkers as we eliminate the ache in those who are unaware of God's speaking voice within them. Your contributions and monthly support is the furtherance of our vision. Your financial support finds its root in Christ. By giving it away you have planted a seed, producing a crop that generates an outpouring of kindness and generosity.

You may be aware of our special project, The Lily Fund, which allows Visionwriters to meet pressing financial needs within our community. Through The Lily Fund we share the joy of helping people start over, move on, or recover from dire events. We've helped a woman move into an apartment and a family to build a much needed addition to their 500 square foot home. We've purchased a reliable used vehicle for one individual and a washing machine for a single mom with 5 children who was actually walking to a Laundromat each week!

It's so important to band together and to develop a heart for those in more difficult circumstances than our own. The Lily Fund evokes the compassionate heart and joyful obedience to the Word that continually reminds us to remember the poor and needy among us. God's goal is for those "who have" to give to those who "have not" so that none are found lacking.

Do not forget or neglect to do kindness and good, to be generous and distribute and contribute to the needy for such sacrifices are pleasing to God.
Hebrews 13:16

Our hearts are revived. We see His plan for the proper use of money. It is a simple plan – yet it has a profound effect. In full glory it is the end of poverty! What a mighty God we serve. Love never fails! Thank you for faithfully working with us and for continuing to write the vision of Christ in YOU!
